## NEW LOCATION FOR POLICE SURGERIES

POLICE SURGERIES are an excellent way to speak to your local policing team—PCSO ROBERTSON and PC BOX. The police surgeries are held in areas at certain times and officers will be fully available at that time to speak to all those who attend.

In the past the DAVENHAM MOULTON surgeries were held at WEAVER HALL salt museum, which through residents feedback were not suitable due to the distance some residents have to travel.

With that surgeries were held in each area :

LEFTWICH—Clifton drive

KINGSMEAD—Regency way shops

DAVENHAM—Spar

MOULTON—Crows nest café.

**POLICE**  
surgery

And through feedback again , these were stopped as some areas only had officers in the police cars , which some residents felt uncomfortable approaching.

We now have a suitable area to hold our police surgeries every month going forward , which is the DAVENHAM BRITISH LEGION , which is very central for the DAVENHAM AND MOULTON community. Every month PCSO ROBERTSON will be at the British legion at the same times , so you can attend and speak to him with any issues or concerns.

There is also KINGSMEAD PRIMARY SCHOOL which PCSO ROBERTSON can book in advance if there is a need for an evening surgery , and PCSO ROBERTSON will do on street police surgeries, if there is need, such as WYNDHAM CLOSE when there was issues with parking.

Feed back will also be listened to , and if you feel that you would like a surgery in your area , due to an ongoing issue then please contact PCSO ROBERTSON using his email (which is on the front page)

Below is a list of the next upcoming POLICE SURGERIES at Davenham Royal British Legion.

Then they began teaching the year 4 children what they had learnt. Last month the MINI POLICE only taught half of the year , and this month they continued and everyone from year 4 was taught on how to cross the roads more safely.

## MINI POLICE TACKLE SPEEDING.

One of the most requesting activities / patrols that MINI POLICE request to do is the SPEED CAMERA. And within the MINI POLICE PROGRAM , JULY has become the month for them to pick up the speed gun and zap away. PCSO LEE trained all of the Mini Police on how to use the speed gun and how to read the speed that every vehicle that they zapped was going.

Speed Camera sessions were conducted on the A533 , due to residents feedback and a total of 7 sessions was completed, each session lasting 30 minutes.

One MINI POLICE officer was using the Speed Gun and the other MINI POLICE that were in the team held up signs to alert people of their speeding.

40MPH and below , got the big thumbs up sign

Over 40MPH got the big red thumbs down sign.

Over the course of the 7 sessions , 7 offences were captured with the highest speed being 49 MPH. All of these offences were processed by PCSO LEE

# THE MINI POLICE DAVENHAM

## DAVENHAM MINI POLICE TACKLE SPEEDING

Just like the KINGSMEAD MINI POLICE , one MINI POLICE officer had the camera and the other MINI POLICE had the signs.

If any driver was travelling 20 MPH or below then they got the green thumbs up sign.

If any driver was travelling 21MPH or above , then got the red thumbs down sign.
