### Agenda:

## Stop and Search

### Purpose:

Do you like to see the police in action? Would you like to help us improve how we police in our local communities?

**If your answer is yes, we have an opportunity for you!**

Community Cohesion Groups (CCG) bring together individuals who live and/or work in the local community to scrutinise local police activity.

You will have the opportunity to review crimes and look at body worn footage, offering your feedback and opinions on what you are shown including Stop and Search, Use of Force and Hate Crime reports.

In addition to these, you will have the opportunity to look at other areas of concern in your local area during the Community Forum.
