Schools

PCSO Michelle and PC Ward supported an educational safety visit for WEAVERHAM PRIMARY ACADEMY pupils at @SafetyCentral. Thanks to funding from Weaverham Parish Council for transport, Key Stage 2 pupils enjoyed a full day of interactive learning covering:

Online Safety

Bedroom Hazards & Fire Scenarios

Lithium Batteries

Kitchen Safety

Train Safety

Car Safety

Bike Safety

Power Station Awareness

Water Safety

Anti-Social Behaviour

Road Safety

Morning quiz score: 46.8%

Afternoon quiz score: 93.6%

What a fantastic improvement! A huge thank you to Cheshire Fire and Weaverham Parish Council for making this impactful day possible. Cheshire Fire will return later in the year to retest pupils' learning and reinforce these vital safety messages.

PCSO Michelle joined the 2nd Sandiway Rainbows for a hands-on mock road traffic collision activity! Each Rainbow got to dress up in old police uniform and explore exciting roles like:

Senior Investigating Officer

Police Officer

CSI

Also discussing others that help us such as

Firefighters

Ambulance Crew

The Rainbows then took on the bleep test challenge — smashing it with a finish at level 5.4 alongside me! We wrapped up with a brilliant Q&A where the Rainbows asked:

“Can we play with the radio?”

“How do you know who the bad guy is?”

“How do you put on your uniform?”

“Do you always catch criminals?”

“Do criminals stay in prison forever?”

Fantastic afternoon of fun, thank you Rainbows for your energy, curiosity, and smiles!

A discussion about Police Constable (PC) and Police Community Support Officer (PCSO) beat officers.

Learning about the roles of police officers and police staff.

Understanding how and when to contact the police, including the importance of dialling 999 in emergencies.

Pupils were rewarded for their fantastic participation with a sticker and three house points!

A big thank you to the staff and pupils at Cuddington Primary for your enthusiasm and brilliant questions.

Also this week, I visited Petty Pool College to meet with staff and discuss their tailored needs for an upcoming Online Safety Awareness Session

It was a productive conversation, and I'm really looking forward to delivering a session that supports their students.

FRAUD warnings

Following on from our recent Fraud awareness days in local banks

I would like to make you aware of a safe, secure and simple way you can contact your bank by calling **159**

often when scammers/Fraudsters contact you they will give you a number to call your bank to confirm however this will just put you through to the scammers themselves.

We would advise that you never call any numbers given to you and to check if the call is legitimately from your bank/Building society

instead call **159**, **NEVER CALL STRAIGHT BACK IF YOU THINK YOU HAVE BEEN SCAMMED AS OFTEN FRAUDSTERS WILL STAY ON THE LINE AND YOU WILL CONNECT BACK TO THEM**, try to use a mobile or wait a minute or 2 before picking the phone up.

If you are at a cash machine and it swallows your card or you notice you have lost your cards instead of waiting until you get home to call the bank do so straight away via **159**.

When you call **159** you will get an automated message asking which bank you require, if you say for example Natwest it will connect you to Natwest securely, below is a clip from money saving expert Martin Lewis explaining how the number works. Engagement

Why It Matters

This initiative was developed in response to community feedback and a recent anti-social behaviour incident in **Weaverham**, where youths—unable to afford golf range fees—were playing on open land and accidentally hitting golf balls into nearby properties.

By providing structured, engaging activities, we aim to:

Reduce anti-social behaviour

Promote physical health and exercise

Support families during the summer holidays

Strengthen community connections

Programme Dates - To be confirmed

Final confirmation details to follow.

In support of #EmergencyServicesDay, Danielle Ashley activity group for adults with learning difficulties took part in a mock road traffic scene.

All took on key roles including:

PCSO Road Closure

PC Officer in Case

Serious & Complex Collision Investigator

Forensic Collision Investigator

The scene featured Fatal Five signage and the use of the Trucam device used by PCSOs and PCs to enforce road safety, highlighting the dangers of:

Careless Driving

Drink & Drug Driving

Not Wearing a Seatbelt

Using a Mobile Phone

Speeding

This demonstrated how we work alongside other emergency services including:

Fire & Rescue

Ambulance Service

Air Ambulance

Thank you to the Danielle Ashley group for their engagement and for making this a fun and educational session.

Not even the wet weather could dampen community spirit! Thank you to the kind member of the public who gifted flowers as a gesture of appreciation for support and community engagement. Your thoughtfulness truly brightened my day!

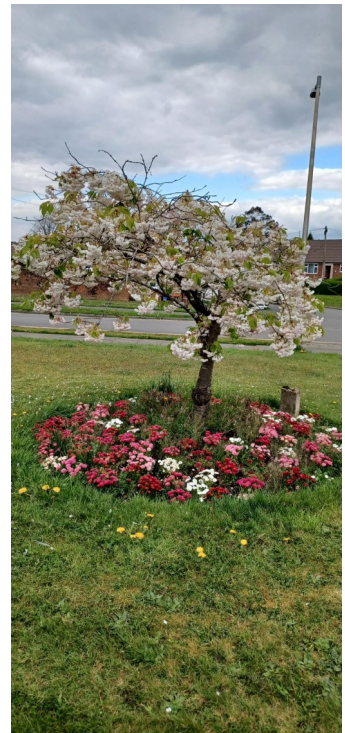

This month, I carried out a parking patrol before and after the service at St Bede's Catholic Church. It was lovely to engage with the faith community and see everyone. Thank you to all who parked considerately and made the morning run smoothly!

PATROLS

Afternoon Patrol Update – ASB Report Response

Following a report of anti-social behaviour involving motorbikes on farmland within our ward, I conducted a patrol this around Walnut Avenue, Poplar Road, Gorstage Lane, and Weaverham Road. I've spoken with local farmers who confirmed that no permission is granted for motor access to their land. Please respect private property and avoid entering farmland with vehicles.

During the patrol, I also came across fly tipping in a cereal field. This waste needs to be removed urgently as the farmer will be in this field next week sowing winter cereal seeds (wheat/barley). If you have any information about the motorbike activity or fly tipping, please get in touch via Michelle.Gillett@cheshire.police.uk
