YOUTHS CAUTIONED DUE TO CAUSING ANTI SOCIAL BEHAVIOUR ISSUES

Over the past few weeks PC LOCK and PCSO ROBERTSON have been dealing with a number of issues involving youths, which involve :

- Setting fires
- Shop lifting
- Knock and Run Incidents

All of the above incidents were reporting by members of the public , which enabled PC LOCK / PCSO ROBERTSON to use CCTV / VIDEO FOOTAGE of the incidents and gain an identification .

To gain identification we first see if any member of NORTHWICH POLICE know them , if not then as it has been reported we can ask our partners at schools. **(this is the reason why it is important to report issues , as we CAN NOT show CCTV / VIDEO footage to outside sources if incidents are not reported)**

In all of the above issues , all reported incidents were successful in obtaining positive IDs.

PC LOCK / PCSO ROBERTSON then conducted house visits to all of those involved and talks to all involved with parents present to discuss :

- The reason for their behaviour
- The impact on the victims
- The impact on others
- They have to take responsibility of their actions / even if they were NOT directly involved. Even if they were part of the group and stood by and allowed the incident to take place , they are just as guilty.

All home visits were successful in terms of having a parents presence and their support.

All youths that were involved were given COMMUNITY RESOLUTIONS which therefore meant if they were involved in any other issues of this , then they would be interviewed under caution at NORTHWICH POLICE STATION.

ASB AREAS HAVE CCTV

Over the past couple of years, PCSO ROBERTSON together with reports to 101 has identified ASB HOTSPOTS (areas which have a number of ASB issues). And with help of PARISH COUNCILS and NORTHWICH TOWN COUNCIL , these areas now have CCTV. So if there are issues of ASB we can use these cameras to gain footage of the incident.

Its not just CCTV that we can use , with the rise of RING DOOR CAMERSA being used , we can use footage from them , which can be emailed to PCSO ROBERTSON, which actually help with one of the incidents above.

All students who completed the training where given a LETS WALK TRAINING CERTIFICATE by the Mini Police. And this is going to be a regular activity that the Mini Police will complete in KINGSMEAD.

Northwich police warn youths over anti-social behaviour

YOUTHS could be arrested if they continue to get involved in anti-social behaviour, police have warned.

Police officers in Davenham and Moulton have taken action following a spate of anti-social incidents.

A number of issues were reported to the local police team, including criminal damage, shoplifting and knock-and-run incidents.

CCTV of the incidents was handed over to police and, with help from partners, police have managed to identify all of those involved.

PCSO Lee Robertson and PC Tom Lock have conducted house visits and spoken to the youths and their parents.

Each of the youths has been handed a community resolution order and warned that further issues will result in them being arrested and having to attend Northwich Police Station for an interview under caution.

A spokesperson for the force said: "Please be assured anti-social behaviour will not be tolerated within our community and patrols will increase in those areas that have had previous issues."
